

Emory: How to Run a Degree Tracker Report - Advisors

The What If report is the degree audit report that reflects a student's progress towards graduation for a particular major and/or minor but with the ability to change a number of criteria including ... to be able to see what requirements still need to be met.

1. Click on Academic Advising from within **OPUS**

2. It should open to **My Advisees** → **Advisor Center**. Click on **Student Center**.

3. Select student from **Change Advisee** dropdown menu and click **Change**

4. Select **Academic Requirements** from the dropdown menu and click **Blue Double Arrow** to process
